**29th June - 3rd July 2009**

**13th July - 17th July 2009**

**27th July - 31st July 2009**

This scheme gives disabled children/young people the opportunity to gain new skills and learn to swim using one to one specialised coached swimming sessions.

- Age groups 5 years - 18 years old.
- Sessions include half hour one-to-one swimming instruction for the children while the remaining half hour can be spent with their parent/guardian/carer in the pool.
- **AT ALL TIMES** each child **MUST** be accompanied by a parent or guardian or carer.
- The cost will be £5.00 per child per session, which includes instruction. Accompanying parents/guardians/carers are free of charge.
- Sessions will be allocated on a first come first serve basis. Places can only be secured when the completed application form and appropriate fee has been received.
- A child can only be booked for one session per day.
- These sessions will be organised as part of the overall swimming programme, therefore the swimming pool will have a number of children and other users in the swimming pool at the same time.
